

Become a trainer at CLL – Language Centres (www.cll.be)

CLL offers the opportunity for trainers with a wide variety of profiles to continue to specialize or to opt for variety by constantly teaching different kinds of language-learning publics.

Teaching in the European Institutions in Brussels

We are looking to collaborate with:

Gaelic language trainers

To teach in the Institutions, Organs and Agencies of the European Union in Brussels.

Status: [freelance](#), full-time or part-time.

Your profile

- You hold a university degree in the domain of languages.
- You have a minimum C2 level in the language to be taught.
- You have minimum 2.400 hours experience teaching your language to international adult students over a period of at least 3 years, since 2005.
- You express yourself perfectly in French and/or English.
- You own a laptop and are open to using new technologies in class.
- You are free during the day between 8h and 18h.
- You are a good, rigorous, enthusiastic and communicative pedagogue.

Our offer

- A professional and motivating project in an international institutions environment.
- The opportunity to teach a demanding and motivating international and multicultural public.
- The possibility to teach full-time or part-time.
- The chance to be part of a team with a professional, ambitious project.
- The opportunity to evolve in your career thanks to ongoing teacher-training offered by CLL.

Interested?

Then, send us your application on eujobs@cll.be.

Make sure that the following elements are attached to your letter of application:

- your CV in [Europass format](#);
- a copy of your university degree in the domain of languages;
- a double sided copy of your identity card;
- the contact details of previous employers who may be contacted for references.

Please note that the above documents are required by the European Institutions. Your application will not be taken into consideration if any one of those elements is missing.

We will contact you individually to inform you of the next step in the selection procedure.
